Particularly good for electronic resources.
- [Citing Cyberspace: Footnoting Electronic Sources in the Chicago Style](#) (James D. Lester). Also for documenting electronic resources.
- [Tips on Chicago Style](#)-- FAQ's, covering more than footnoting

The School strongly encourages all prospective applicants to contact faculty members regarding potential research interests and possible mentorship as early as possible prior to and during the application process. This early dialog is highly advantageous in both the application process and the student's subsequent academic progress and development, if admitted to the program.
